### CALL FOR APPLICATIONS

The South African National AIDS Council (SANAC) leads South Africa's response to the national HIV and AIDS, TB & STIs epidemics. SANAC is building a dynamic team that can facilitate its effective leadership of the national response.

## CALL FOR APPLICATIONS TO SERVE AS PRINCIPAL RECIPIENTS OF SOUTH AFRICA'S HIV AND TB REQUEST FOR FUNDING TO THE GLOBAL FUND TO FIGHT AIDS, TB AND MALARIA

The South Africa Global Fund Country Coordinating Mechanism (GF CCM) is preparing to submit a request for funding (RFF) to the Global Fund to Fight AIDS, TB and Malaria (GF) covering the period from 1 April 2019 to 31 March 2022. The GF CCM has determined that it will need six (6) Principal Recipients (PRs) to implement this grant and has ring-fenced three PR spots for the National Department of Health (NDOH), a civil society organisation (CSO) to focus on advocacy with key population networks and a private sector body to bring co-investment and drive alignment to the National Strategic Plan for HIV, TB and STIs (NSP) hence improving efficiency and effectiveness of investment of the private sector for the benefit of employees and their communities. The other three PRs are open to government and CSOs.

Hence the GF CCM calls for applications from government departments, civil society and private sector organisations that wish to serve as PRs for the HIV and TB grant. The GF CCM has therefore issued the following two calls for applications to nominate four PRs:

- **Bid CCM/PR/2018/01** – To nominate three PRs that will manage the implementation of the GF grant by sub-recipients across the country.
- **Bid CCM/PR/2018/02** – To nominate one PR that will mobilise private sector investment and drive alignment to the NSP thereby improving efficiency and effectiveness of private sector investment for the benefit of employees and their communities.
