Kindly send quote by 01 October 2021 @11h00.

1. The quotation should be accompanied by pictures of each commodity.
2. Each item must be of exceptional quality – golfer grammage should be 220 gsm, the bomber jacket should be of premium fabric and the backpack should be laptop compatible and safe to embroider with branding. The masks should be 3-ply and made with premium, soft, and breathing-friendly fabric.
3. We will again shortlist the top three suppliers and ask them to deliver physical samples to choose from.

4. The successful bidder will be chosen based on the exceptional quality of each commodity.

NB: these items need to come to the SANAC offices first for final review and then they will need to be delivered in all the 9 provinces.
